the money due and payable when she is known to be, or parted with. Should any mare be paid for and turn out not to be so, she can be returned the horse, free of charge either for service or keep next season, or the money be refunded, as th owner may prefer. Persons sending mares to this dered Sanborn to be discharged upon the Speed Smith Goodlog. Esq., of this city, to Miss horse, will be expected to pay the groom \$1 for his attention to them, and mares from a distance will be charged \$1.50 per month for grass and salt, while on the farm, after the first month—for made to my former patrons, as to the eare and Kentucky. attention we give mares. WM. R. DUNCAN.

Description and Pedigree. endurance, in a very remarkable degree .- per here is not a quality, I can say in all candor, that horse can possess at all, valuable for practical purposes, that he has not. His coits are invariably bays or browns; not over-sized, but genorally large enough; looking very much in point of style end form, as if they were by a thoroughed. I have it, too, from a reliable source, that is colts are bringing as much or more money than the colts of any horse of his kind ever in Maryland. He was bred by Gov. Ridgely, near more, the most noted breeder in the State orge W. Adams, the owner of the Whiteh tting Stud Stables, Washington county, N. haps the most distinguished breeder in th ion,) by North American, and out of a mar ock of the Rook by Daroc: North Am was by Sir Walter; he by Hadger's Hickory, of Sebastopol. And of his sire, Gov. Ridgely in a "Whitehall was in color brown, 16 hands 1 inch igh; weighed 1300 pounds; trotted in harness 2:36, and to a wagon in public in Philadelphia in 2:10. I always thought very highly of him and preferred him to any horse I knew, to breed from. I raised a very fine brown horse colt him, which I sold at three years old for \$2,000. He was one of tha finest colts I ever saw, combin-ing speed and size, and had it not been for my

unwillingness to have a stallion on the place, I should not have sold him. Whitehall was a mighty road horse, and in his day no horse driven out of Philadelphia could beat him." sequently without a public record, or in a condi inclined, in consequence of an injury upon hi his leg I do claim for the family from which h immediately and directly descended, as much istinction in the way of speed and powers ondurance as any horse that lives; among then

wagon in 1:13, and was sold for \$3,000 Grial, trotted in 2:351/2 to a wagon, and was old for \$2.500 Patham rected in 2:30 to a wagon and Lady Blanch trotted in 2:30 to a wagon and Lady Blanch trotted in 2:30 to a wagon and Lady Blanch trotted in 2:30 to a wagon and Lady Blanch trotted in 2:30 to a wagon and the Court House door at 12 o'clock:

passing auriferousness to any he had yet ed fully \$125,000 worth of gold quartz rock, have another to publish. while the ledge gives indications of increasing richness and extent. A gentleman who has a claim near the

of the rock taken from that ledge on the Mestairie course: Wednesday last broken apart, and that to Tuesday, April 3. Jockey Club Purse, statement exhibits the number of slaves in sunder it the men had really to wrench it, so thoroughly interwoven and diffused was \$1,000 - three mile heats. the gold though the whole mass.

The Alta Californian speaks of the arrival from these mines of Mr. Philip Meagher, who had with him a number of specimens of gold quartz, which were the subject of admiration. Says the Alta:

"One of these weighed between two and ds, and was broken off ad libis is perfectly filled with gold, so that it may as appropriately be called quartz gold as gold quartz. In fact the gold is apparent all over and through it. This splendid piece is to be sent to the Washington Monument. and will be a splendid exemplar of the immense richness of our Pacific slope of the conti nent. There were also half a dozen smaller pieces, with the large one, will be exhibi ted in this city. Our informant is a perfect ly reliable man, well known in this city .-He says that the story of two men having taken out \$50,000 is quite true. He went into the excavations of both of the minesthe Ish and the Maury-and saw for himsel the wonderful richness of the placers. was more like a scene of enchantment-

Aladdin's wonderful lamp, or some othe fanciful creation of the Arabian Nightsthan the reality of sober facts. Above around, evrrywhere, the very walls of the excavation were speckled with gold. In deed, such, it would seem, must have been the case, to accord with the telegraphic dispatch which reached here on Tuesday night that \$75,000 worth of gold was taken out of the Ish claim on the 5th inst," These facts place this mine as far beyond

the famous Allison lead, Nevada county, as Gold Hill seems to be the headquarters of three miles—for aged horses to carry 105 bon about holds her own. Harrison has inthe gold, as none is found along Rogue riv- pounds—Club Purse \$300—Made stake creased about 800 since 1840. Jefferson has the gold, as none is found along Rogue riv-er, above that place, while below, for many \$100 miles, the canons, gulches, and banks of the T. and T. W. Doswell's (John river have been found to pay, some as high as ten or fifteen dollars to the hand, and oth ers showing only the color. The present season has been an unusually dry one, and and this prompted many men to start out prospecting, for want of water, when thes general discoveries were made. After the Maury claim was discovered, one of the mer who had been herding cattle at or near Gold Hill, remembered that he had found a piec of gold quartz on the top of the hill, som time before, and this led to the marvelou revelation. The Ish Company, with a com mon arastra, crushed up four hundred pounds of quartz, from which they extract ed four hundred and forty-four ounces gold, which would make the rock average about thirty-five thousand dollars to the tor These are extravagant figures, but the fact seem to sustain them.
